ABOUT THE THURSTON PLAYERS

In 1974, a group of Thurston Elementary School parents decided to write and perform an original musical to benefit the PTO. This organization became what the Thurston Players are today.

In the beginning, the annual fundraiser was an “adults only” production—written, performed, and produced by Thurston parents, teachers, as well as neighbors and friends of the community. Students from Thurston Elementary were included in the cast in 1997, leading the way to add middle school, high school and even college-aged Thurston alumni cast members throughout the years!

Tonight’s musical is the result of a full year of work by hundreds of dedicated people. Once this year’s musical comes to an end, there is a brief break until the Thurston Players’ Board of Directors is back in session to create the 2015 production. The Script and Lyrics Committees will get their creative juices flowing to craft a new musical, ready for auditions in October.

Anyone affiliated with Thurston Elementary School can be in or work for the musical—nobody is “cut” from the team, provided they (the children and the children’s parents) are willing to put in the time and effort. After auditions, parts are cast, and additional parts are created if needed. Parents of child actors and other willing adults are assigned to crew committees, such as publicity, advertising, make-up, refreshments, and ticket sales.

Three nights a week, the cast rehearses in the Clague Middle School Auditorium. Everyone involved works extremely hard to give their best performance and efforts. And if it wasn’t obvious already, everyone has a whole lot of fun!

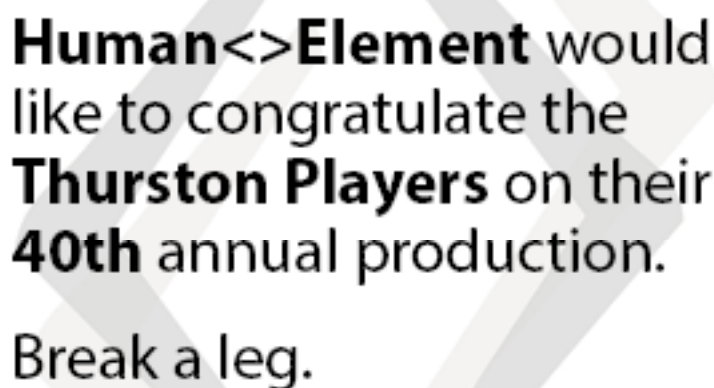

Then, before anyone realizes, it is March 2015, and the wonderful bunch of neighbors—ages 5 to 75—will be ready to link arms onstage and sing once again:

*“That’s all! That’s our show for this year
And we’re glad that you all could be here!”*

Many thousands of dollars have been raised for our children at Thurston Elementary School over the years. You are as much a part of this musical as we are.

As we celebrate our 40th anniversary, thank you againwe are so glad that you are here!

I LOVE ART

Oh, I love art!
It could be dirty or dingy or dusty.
It could be ragged or rotten or rusty.
Yes, I love art!

Oh, look here, a pinwheel
to stick in the dirt!
It's made out of nail filings
and old t-shirts!
And though there's a price tag
that really must hurt!
I love it because it's art!

Oh, look at these artisan
bracelets and beads!
They're covered in pine cones
and woven with reeds.
They're totally hipster to
suit all your needs!
I love it because it's art!

A dollar for water!
There's ads and campaigns!
Big sales on the Birkenstocks!
Clothing and games!
Some of the stuff here
is really quite lame...
Whatever! ... We'll call it art!

I have here a painting
that tells a true tale,
In oils, on canvas,
of love and betrayal . . .

Ignore that old loon!
We've got cool junk for sale!
I love it because it's art!

Oh, I love art!
It could be dirty or dingy or dusty.
It could be ragged or rotten or rusty.
Yes, I love, I love, I . . . love art!

SOMEBODY THAT I USED TO KNOW

Now and then I think of
when we were together
Like when you said you felt so happy
you could cry
I told myself that you were family
But felt so lonely in your company
But that was love and it's an ache
I still remember

But you didn't have to cut me off
Act as if it never happened
and that we weren't sisters

And I don't even need your love
But you treat me like a spider
and that feels so rough

No you didn't have to stoop so low
Run away and then stop talking
to me for no reason
I guess that you don't need me so...
Now you're just somebody
that I used to know

I SHOULD HAVE KNOWN BETTER

Ohhh, I
should have known better
with some bugs like you.
I shouldn't trust anything that you do.
But they do, hey hey hey,
but they do.

Ohhh, I should have realized
what a trap could be.
This could only happen to me.
Can't you see, can't you see

That though we tell you

POOR UNFORTUNATE SOULS

Spiderella wasn't always
quite so nasty.
Only recently they're calling
her a witch.
Yes, you'll find that nowadays
She's mended all her ways,
Reassessed her life,
and made a switch. True? Yessss.

And she fortunately
found a bit of magic,
And the end of all your stories
goes like this:
Spiderella finds a way
to overthrow the fay—
Her miserable, perfect little sis:
Mariposa!

Poor, unfortunate souls.
They'll beg. They'll scream.
'Cause we're gonna make some
changes to your precious way of life,
And most important: I'll be queen.

You poor, unfortunate souls.
So sad. So true.
Should have sided with the spiders,
but you picked the losing team,
And I feel awful. Yes, I do.

Spiderella's plan will soon
be set in motion,
And forgive us if we sound
a little smug.
Cause we've never been allowed,
but now we will be proud
To devour every tasty little bug!

Come on,
you poor, unfortunate souls!
You can beg! You can scream!
But we're gonna make some
changes to your precious way of life,
And most important: I'll be queen!

You poor, unfortunate souls!
It's sad but true.
If you want to mess with royalty,
you'll have to pay the toll.
You don't like us? Then we'll eat you!
Dinner's on, boys, grab a bowl!
Ready, Spinners, Widows, Mantises?
The boss is on a roll!

These poor, unfortunate soooooouls!

FIREFLY

Do you ever feel - like a plastic bag
Drifting through the wind
- wanting to start again?
Do you ever feel - feel so paper thin
Like a house of cards
- one blow from caving in?

Do you ever feel
- already buried deep
Six feet under, SCREAM!
- but no one seems to hear a thing
Do you know that there's
- still a chance for you
'Cause there's a spark in you?

You just gotta ignite - the light
and let - it shine
Just own - the night
like the 4th of July

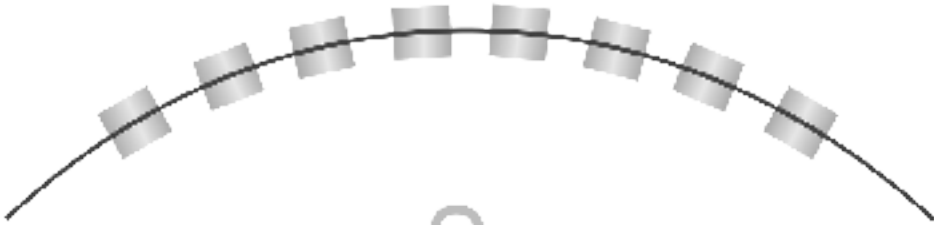

'Cause, baby, you're a fi-re-fly
Come on, show 'em why you fly

Make 'em go "Aye! Yie! Yie!"
As you shoot across the sky-y-y

Baby, you're a fi-re-fly
Come on, show 'em why you try
Make 'em go "Aye! Yie! Yie!"
You're gonna make 'em all
sigh, -igh, -igh!

Boom, boom, boom
Even brighter than the
moon, moon, moon
It's always been inside of
you, you, you
And now it's time to let it
through-ough-ough

'Cause, baby, you're a fi-re-fly
Come on, show 'em why you fly
Make 'em go "Aye! Yie! Yie!"
As you shoot across the sky-y-y

I'LL MAKE A BUG OUT OF YOU

Let's get down to business
To defend our homes
We have all come forward
Fairies, bugs...and gnomes

You're a spineless, wingless, little lot
And you haven't got a clue
Somehow I'll make a bug out of you

I'm never gonna catch my breath
Say goodbye to those who knew me
Why can't all those spiders
just eat plants?

This girl's got 'em scared to death
Hope she doesn't
see right through me
Now we're really glad
we've got our ants!

Be a bug
We must be swift as a dragonfly! !

Be a bug
With all the force of a great typhoon

Be a bug
With all the strength of a rhino beetle
Spiders watch out!
'Cause we're coming for you!

Time is racing toward us
'Til the fateful night
Follow every order
'Cause it's fight...not flight
You've got brains
and lots of courage so
My hope's high, I'm not so blue
Because I've made a bug out of you

Be a bug
We must be swift as a dragonfly! !
Be a bug
With all the force of a great typhoon
Be a bug

With all the strength of a rhino
beetle!!!
Spiders watch out! 'Cause we're
coming for you!

ILLUMINATIONS

Ah, we love
the colorful lights out there
And the way they filter through
the forest air
Ah, what a beautiful sight to see
In the way they sparkle
with artistic flair

We're pickin' up luminations
It's giving us excitations
We're pickin' up luminations
It's giving us excitations

Good good good illuminations
It's giving us excitations
Good good good illuminations
It's giving us excitations

Close our eyes
The light feels closer now
Gentle beam,
We know it must be kind

When it shines into our eyes
We are drawn into another world

We're pickin' up radiations
They're giving us palpitations
We're pickin' up radiations
It's giving us palpitations

Good good good radiations
It's giving us palpitations
Good good good radiations
It's giving us palpitations

We're pickin' up luminations
It's giving us excitations

"I Like Mikel"

A HARD DAY'S NIGHT

It's been a hard day's night.
And we've been hanging by our feet,
It's been a hard day's night,
Scared of becoming a spider's treat.
Now that we're free from that goo,
We are feeling brand new,
You know we feel all right.

When we're home,
Ev'rything's going to be right.
When we're home,
That'll be so out of sight, sight...

We have to find a way,
To help our friends to get their ring,
We have to find a way,
To get that wand, that magic thing.

So when we've beaten that crone,
And ev'ryone can go home,
You know we'll be okay.
You know we'll be okay.
You know we'll be okay.

WHEN I'M SIX FEET FOUR

When I get bigger. When I get tall.
When the dust will fall
I'll stand up, and I'll reach up,
and I'll touch the sky
No more being small as a fly

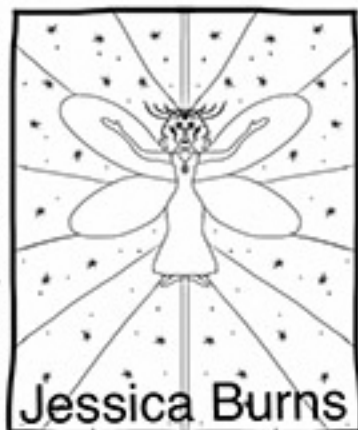

If I seem weary, tired, or weak
Comin' through that door.
Will it still grow me,
will you still know me?
When I'm six-feet four!

Maybe I can see the end of art fair
When I'm big again,
if it's not to late.
I will go and see
Overpriced art for sale
Sorry! Not for me!

SISTERS

Sisters, Sisters
 Never were there
 Such divided sisters
 Never got along a single day (no sir)
 I've had to keep my eye on her

Oldest? Kindest?
 Could have shared the wand
 and been the brightest

When the Fairy University said come
 She said Glow Blue
 but lost the wand

But now we're better,
 We'll stick together
 Taking care of fairy land
 Two different faces but in tight places
 We'll act and we'll take command

Those who see us
 Think that something new
 May come between us
 Years and years of arguing
 But now we understand
 No fairy whisper,
 Will come between me and my sister
 While me and my sister, are
 governing Fa-airyland.

Allie

Pietrasiuk, Kelley & Kelley is a certified public accounting firm which specializes in tax, accounting and consulting services for businesses and individuals.

Our company would like to acknowledge with great appreciation all of the wonderful and dedicated volunteers; play writers, musicians, behind the scenes supporters and, of course, the stars of the show. You have truly made a positive difference in the community and we thank you for being a part of our children's lives.

WAY TO GO THURSTON!

Your hard work shows with amazing results year after year. It's been almost 40 years since your first production where fond memories and time-honored family traditions are formed.

IT'S ALL BEEN DONE

When I'm with you,
Wherever we may roam,
I know you
Will get me safe back home!

And we'll laugh, And we'll sing
We'll hug a bug
And find a ring!

Ooh-ooh-ooh
It's all been done
Ooh-ooh-ooh
It's all been done
Ooh-ooh-ooh
It's all been done before

Tired and bored
On a sweltering Art Fair day,
I know you
Will help me find a way
To get out of the sun,
We'll take a trip and have some fun!

Ooh-ooh-ooh
It's all been done
Ooh-ooh-ooh
It's all been done
Ooh-ooh-ooh
It's all been done before.

If we find a spider's lair,
And if a wand is hidden there,
And if we find a fairy door,
Then I'll just yawn and say,

Ooh-ooh-ooh
It's all been done
Ooh-ooh-ooh
It's all been done
Ooh-ooh-ooh
It's all been done before.

Congratulations, Emma!

Eight years in the

THAT'S WHY WE DID IT

That's all,
That our show for this year
And we're glad
That you all could be here
And we hope
that we brought you some cheer
That's why we did it.

The set, the director, the script
And the score with a musical hit,
And the guys
Who worked backstage or pit,
They also did it

You sing and dance
And you practice your lines,
Rehearse and rehearse them
A few thousand times.

Never quite sure that it's right
And then curtain up,
'cause it's opening night.

So you smile,
Sing and dance like a pro,
Make 'em laugh,
Make 'em yell,
Steal the show
Then applause,
Curtain down,
Time to go

We'll do it again,
Next year once again
We'll entertain you.
