ABOUT THE THURSTON PLAYERS

In 1974, a group of Thurston Elementary School parents decided to write and perform an original musical to benefit the PTO. This organization became what the Thurston Players are today.

In the beginning, the annual fundraiser was an "adults only" production—written, performed, and produced by Thurston parents, teachers, as well as neighbors and friends of the community. Students from Thurston Elementary were included in the cast in 1997, leading the way to add middle school, high school and even college-aged Thurston alumni cast members throughout the years!

Tonight's musical is the result of a full year of work by hundreds of dedicated people. Once this year's musical comes to an end, there is a brief break until the Thurston Players' Board of Directors is back in session to create the 2016 production. The Script and Lyrics Committees will get their creative juices flowing to craft a new musical, ready for auditions in October.

Anyone affiliated with Thurston Elementary School can be in or work for the musical—nobody is "cut" from the team, provided they (the children and the children's parents) are willing to put in the time and effort. After auditions, parts are cast, and additional parts are created if needed. Parents of child actors and other willing adults are assigned to crew committees, such as publicity, advertising, make-up, refreshments, and ticket sales.

Three nights a week, the cast rehearses in the Clague Middle School Auditorium. Everyone involved works extremely hard to give their best performance and efforts. And if it wasn't obvious already, everyone has a whole lot of fun!

Then, before anyone realizes, it is March 2016, and the wonderful bunch of neighbors—ages 5 to 75—will be ready to link arms onstage and sing once again:

"That's all! That's our show for this year And we're glad that you all could be here!"

Many thousands of dollars have been raised for our children at Thurston Elementary School over the years. You are as much a part of this musical as we are.

As we celebrate our 41 years, thank you againwe are so glad that you are here!

MIDWESTEROS

Oh, rolling hills with many trees abound here, A university stands very close, But winter's far too cold with too much snow here. Midwesteros!

The streets are far too icy in December, So someone's always falling on their nose, Ah-choo! There's too much pollen in September. Midwesteros!

Midwesteros! Midwesteros! You'd think it might arouse dismay, But Midwesteros, Midwesteros, We love it anyway.

And though the weather's bad and traffic's awful, And housing costs and taxes are too dear, And though it's pretty gross, Even in a tiny dose, There's no place I would rather live than here. Midwesteros!

COUNT ON ME

If you ever find yourself lost deep in a dragon's lair,

I'll roam the earth to find you.

If you ever feel trapped in a game where the rules aren't fair,

I'll roll the dice beside you.

I'll tackle any monster, Big and bad and fierce though it may be...

You can count on me like one, two, three.

I'll be there, and I know when I need it I can

Count on you like four, three, two.

You'll be there, cause that's what siblings have to do, Oh, yeah!

No matter what the battle, I'll always take your side, I guarantee...

You can count on me like one, two, three.

I'll be there, and I know when I need it I can

Count on you like four, three, two.

You'll be there, cause that's what siblings have to do, Oh yeah!

FRIEND LIKE ME

A hundred years ago, they ran me out. They called me bad. They said that I was mean. Well, Master Aiden, I've stopped counting sheep, And started counting on a brand new scene.

Now, I'm a bigger, better, bolder Faug. I gotta say, I've got it going on. Yeah, check it out, kid, cause this ugly duckling is emerging as a charming swan.

They'll all say:

"This awesome dragon, Faug, She's a good guy to a T." No smoke and mirrors. No hot air. You ain't never had a friend like me!

I'VE GOT A DREAM

I'm a young man of great valor, or so they told me in my tower I'm told I'm s'posed to save my kingdom's corner But despite my royal roots, I love music to my boots I've always yearned to be a great performer Can'tcha see me in a concert hall a'singing? Charming all the audience with my harp Yes, I'd hate to be called deadly, but I love my show-tune medley 'Cause way down deep inside this is my dream!

He's got a dream! He's got a dream! See, he's not a knight as much as he might seem! He must make his family proud, but he goes against the crowd Like everybody else, he's got a dream!

I've got fangs and claws and fire, and my hygiene issue's dire And let's not even mention my complexion. But though I lack in social skills And I look like I could kill, I really want to make a friend connection. Can't you see me with a special little human, Baking rats and bats until they steam? Though I'm quite a fearsome creature, my charm is my best feature -- 'Cause way down deep inside, I've got a dream!

She's got a dream! She's got a dream! And we know one day their friendship will be seen! Though our presence leads to screaming There's a friend behind it, dreaming -- Like everybody else We've got a dream!

We've got a dream! We've got a dream! So our awkwardness is really not extreme! We're one big team ... We've ... got ... a ... dream!!

MEN MEN MEN

Men, Men, Men! Man-han-ly Men, Men, Men

A long time ago, way back in history. When Adam roamed the beautiful earth As far as the eye could see. The Lord asked Adam, "What more do you need and when?" Adam said, "Now, I need friends, So fill the Earth with men!"

We are knights and lords who love our land, And love our queen and king! And to our praises, we shall always sing! Look what we done for all, over and over again! All the problems in the world are always solved by Men... men... men! Man-han-ly men, men, men!

We are ready to fight to save a lad or lass. If our foes do run in fear, we'll always give them a pass. We're very simple creatures. Maps we never need. Manuals are optional, too. "Seats up!" is our great creed!

HOW DO YOU SOLVE A PROBLEM LIKE SOPHIA?

How do you solve a problem like Sophia? How do you teach the lass to wear a gown? How do you find a way to tame Sophia? Etiquette lessons! Ballroom instruction! A crown!

Many a thing you know you'd like to tell her Many a thing she ought to understand But how do you make her stay and listen to all you say? How do you get her NOT to take command?

Oh, how do you solve a problem like Sophia? How do you stop her roaming 'cross the land?

She'd out master any test, greet a dragon in its nest She could throw a whirling dervish out of whirl She is thoughtful! Won't behave! She's a mystery! She is brave! She's so fearless! She's a darling! She's a teen!

Oh, how do you solve a problem like Sophia? How are we going to make her understand?

DUNDEE GATORS

Down in the river by the troubled water bridge Lay the snoozing alligators waiting for the crossing kids Wake little alligators; wake, if you can. So, they woke. And, they snapped. And, stood by their man.

Snap, Snap! Chomp, Chomp! Yes, we're awake! Snap, Snap! Chomp, Chomp! Yes, we're awake! Snap, Snap! Chomp, Chomp! Yes, we're awake! And, we'll snap! And, we'll chomp, just watching you quake!

"Stop!" said the alligators, "No crossing here!"
We're feeling really hungry, and you're coming rather near.
We've spent all day under Dundee's vegan rule.
So, don't try to cross. We know you're no fool!

Snap, Snap! Chomp, Chomp! Yes, we're awake! Snap, Snap! Chomp, Chomp! Yes, we're awake! Snap, Snap! Chomp, Chomp! Yes, we're awake! And, we'll snap! And, we'll chomp, just watching you quake!

THE PUPPET SHOW THEME

It's time to wrap it up here. It's time to dim the lights. It's time to say good-bye now...to the puppet show tonight.

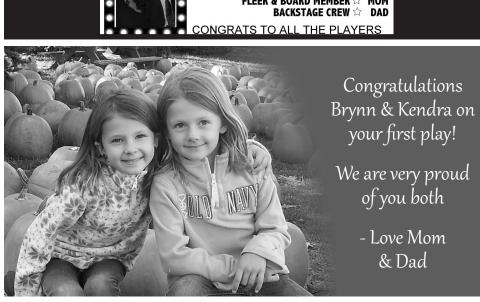

When will they rescue Aiden from his reptilian plight? We'll see what happens next time...in the puppet show tonight.

We want to go and help them. Our hearts and will are matched. It would be very easy...without these strings attached!

It's time to wrap it up here. It's time to dim the lights. It's time to say goodbye now to the most sensational ... affirmational ... fascinational ...puppetational

ZERO TO HERO

Bless my soul! We are on a roll!

Adventure's in the heart of every single person's soul!

We are pro - let's go stop a show!

Point us at a dragon and we're all ready to go!

The dragon's a no one - A zero, zero!

We are the strong ones - We're the heroes!

There was a need for a group of stars

From zero to hero - In no time flat. Zero to hero - Just like that!

When we come the dragon's done, and—we're on our way We'll work a ton until we've won, and—call it a day! From the treasuries and royalties, we'll have much gold to spare From the rich and famous, You know there's enough of it to share!

Say Amen - There we go again!
Gonna save the day in every single way we can
Aiden's there, scared and all alone,
Needing to be rescued, and right now we're in the zone!
Honey, we come, we see, we conquer
Dragon or us, we'll see who's stronger!
Aiden will know who his true friends are!
From zero to hero – We'll save the day!
Zero to hero – So whaddya say?

FRIENDSHIP

Partners! Through thick and thin! Night and day! Right or wrong! If you're ever in a jam, here I am. If you ever need a chum, here I come. If you ever accidentally take a dip, I'm your ship...

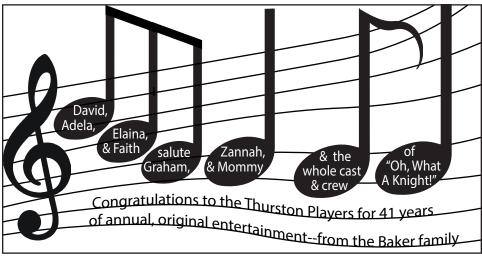

It's friend-ship! Friend-ship! Just a perfect blend-ship! When other friendships have been forgot, ours will still be hot!! [Lahdle-ahdle-adhle ... dig, dig, dig!]

If you're ever in a fight, I'm your knight!

If you ever need to fly, I'm your guy!

If you ever have some trouble, things are dire,I'm your fire!!

It's friend-ship! Friend-ship! Just a perfect blend-ship! When other friendships have been forgot, ours will still be hot! YEAH!!!!!

GIRLY GIRLS

I'm a girly girl, in a manly world...pickin flowers; no girl power. I can fluff my hair, no dragons do I snare Not showing power...we're just picking flowers.

Go on Girlies. Go pick flowers!

I'm a girly girl, in a manly world...pickin flowers; no girl power. I'll never be a knight, 'cuz girlies never fight. Well nothing real. We just couldn't deal.

I'm a weak helpless girl in this dangerous world. Help me fight. Protect me! I'm so scared!

Don't you fret. We'll protect. Men are strong, and we think. Dry your tears. Calm your fears. We'll protect you.

Thank you much. Watch me blush. I exclaim, "You're so strong!" I'm a girly girl, in a manly world. ...pickin flowers; no girl power.

Go on Girlies. Go pick flowers! Go on Girlies. Go pick flowers! Go on Girlies. Go pick flowers!

Lillian and Robert,

We love you. Hugs and Kisses. Dad, Mom, Chloe, Evelyn and Patrick

DRAGONS ARE BETTER THAN PEOPLE

Dragons are better than nobles. Faug, don't you think that's true?

Yeah, nobles will fight you and curse you ...

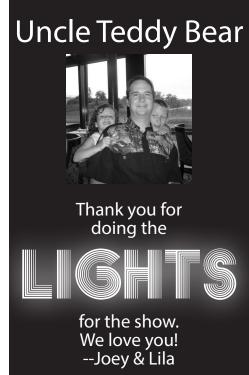

... and knight you!

Every one of them's bad—except you.

Oh, thanks buddy But nobles smell better than Dragons Faug, don't you think that I'm right?

That's once again true, For all except you

You got me, let's call it a night Good night Don't let the cave rats bite

BLAME IT ON THE GIRLS

She's got moves that you would thrill to learn If you could only put away your pride. She'd be a mother and a wife—a lovely little life—But she'd rather live a life like mine.

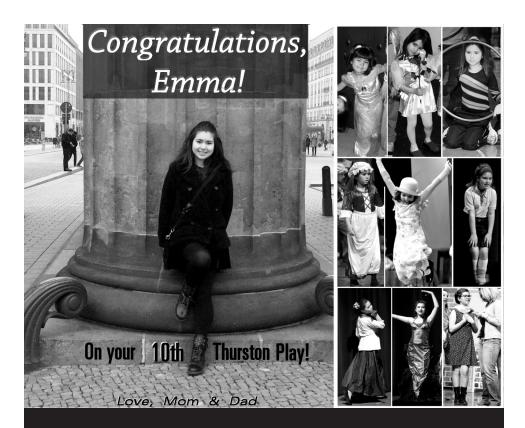

Like a baby, she's a stubborn child. What's the matter? When her antics always drive you wild What's the matter? When we know what she's supposed to be—

But she's wishing she'd be knighted like me! Blame it on the girls who don't know their place. Blame it on the boys who just wanna save face. Blame it on the things that you learned in school.

Blame it on the kings who make all the rules! Blame it on the girls, Blame it on the boys. Blame it on the boys.

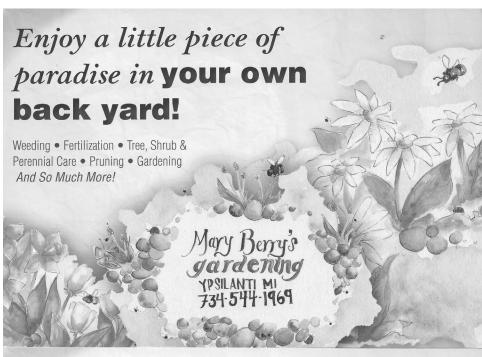

Max, Libbie, and Billie

We are so proud of all that you do but thrilled that we get to share this with you.

Love, Mom and Dad

FAUG, THE FRIENDLY DRAGON

Faug the Friendly dragon Lives in a cave And frolicked with some Bats and Rats But more friends did he crave

He captured little Aiden Made him his friend. Who saved the day, Kept thieves at bay A warning did he send.

Oh, Faug the Friendly dragon
Has really found his stride.
Since finding such a great new friend
He doesn't have to hide.

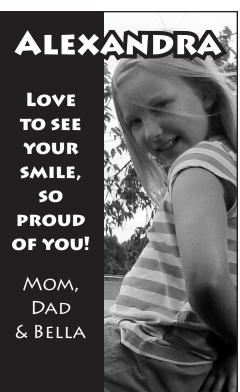

Faug the Friendly dragon Lives in a cave There's lots of fun with Aiden since He learned how to behave!

Congratulations to Aidan and Gwen Davis on another successful play!

Love, Grandma Vicki/Mom

OH, WHAT A KNIGHT!

Oh, what a Knight!
Brave and gallant as a knight should be
Only difference is that he's a she
What a lady! What a knight!

Oh, what a knight!
We expected her in silk and lace.
She accessorized with sword and mace.
Strong and fearless: what a knight!

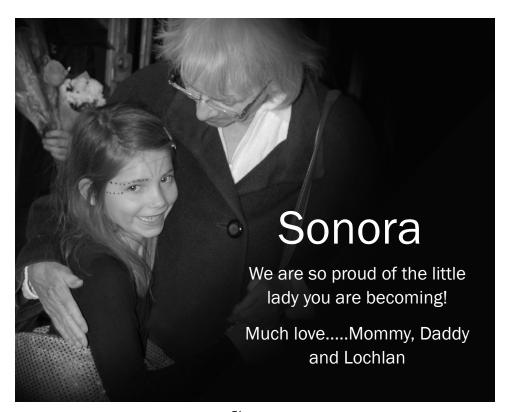

Oh I ...

I got a funny feelin' when she walked ... in the room I thought...
If this is a guy, I'm a buffoon.

Oh, what a knight! Why'd it take so long to see the light Seemed so wrong, but now it seems so right.

What a lady! What a knight!

What a lady! What a knight!

THAT'S WHY WE DID IT

That's all,
That our show for this year
And we're glad
That you all could be here
And we hope
that we brought you some cheer
That's why we did it.

The set, the director, the script And the score with a musical hit, And the guys Who worked backstage or pit, They also did it

You sing and dance And you practice your lines, Rehearse and rehearse them A few thousand times. Never quite sure that it's right And then curtain up, 'cause it's opening night.

So you smile,
Sing and dance like a pro,
Make em laugh,
Make 'em yell,
Steal the show
Then applause,
Curtain down,
Time to go

We'll do it again, Next year once again We'll entertain you.

Congratulations Dear Sitara

on the completion of your 5th year with the Thurston Play and the final year at Thurston School. Mom and Dad are so proud of you.

FOR HELPING RESTORE THE THURSTON NATURE CENTER

Located in Northeast Ann Arbor, the 20 acre site has been used for 50 years to support hundreds of environmental education, explorative and experimental learning activities for students of all ages. Since 1966 the Thurston Nature Center has served the community with a dedicated group of local volunteers and residents and community-donated time, resources and funding.

The STRUGGLE and CHALLENGE we are now facing pleads for additional help from the community. Without your support, the pond and its interconnected ecosystems cannot be restored and we will lost the pond, wetlands and its associated wildlife as we know it.

Your support has helped us raise nearly \$40,000, and we continue to raise funds. Your gift will help us meet our goal of restoring the Thurston Nature Center wetlands and saving its pond.
