ABOUT THE THURSTON PLAYERS

In 1974, a group of Thurston Elementary School parents decided to write and perform an original musical to benefit the PTO. This organization became what the Thurston Players are today.

In the beginning, the annual fundraiser was an “adults only” production—written, performed, and produced by Thurston parents and teachers, as well as neighbors and friends of the community. Students from Thurston Elementary were included in the cast in 1997, leading the way to add middle school, high school and even college-aged Thurston alumni cast members throughout the years!

Tonight’s musical is the result of a full year of work by hundreds of dedicated people. Once this year’s musical comes to an end, there will be a brief break until the Players are back in session to create the 2020 production. The Script and Lyrics Committees will get their creative juices flowing to craft a new musical, ready for auditions in October.

Anyone affiliated with Thurston Elementary School can be in or work for the musical—nobody is “cut” from the team, provided they (the children and the children’s parents) are willing to put in the time and effort. After auditions, parts are cast, and additional parts are created if needed. Parents of child actors and other willing adults are assigned to crew committees, such as publicity, advertising, make-up, refreshments, and ticket sales.

Three nights a week, the cast rehearses in the Clague Middle School Auditorium. Everyone involved works extremely hard to give their best performance and efforts. And if it wasn’t obvious already, everyone has a whole lot of fun!

Then, before anyone realizes, it is showtime, and the wonderful bunch of neighbors—ranging from kindergartners to senior citizens—will be ready to link arms onstage and sing once again:

“That’s all! That’s our show for this year
And we’re glad that you all could be here!”

Many thousands of dollars have been raised for our neighborhood schools over the years. You are as much a part of this musical as we are.

As we celebrate our 45th anniversary, thank you againwe are so glad that you are here!

MEET THIS YEAR'S SENIORS

MIRIAM STEVENS has been involved with the play since she was a goat in *The Bride of Thurstonstein* production. One of her favorite songs was a song about pizza in *Game On!* She was a U of M student, and she and her fellow student video game designers were ravished after a long time in their “den.” They went outside and mistook the sun for a big pizza pie, singing about their love for pizza with the music from the song “That’s Amore.” Miriam plans to study engineering and possibly minor in neuroscience, psychology, or theater, but she has not decided on a university yet. She hopes to continue acting and playing euphonium in college.

LISA STEVENS has been involved with the play since she was a goat in *The Bride of Thurstonstein* production. One of Lisa’s favorite memories was making her costume for Sumas, who was based on the video game character Samus Aran. She had to be very creative in designing it, eventually deciding to use a stormtrooper costume, and she had a lot of fun painting it orange. Lisa plans to study biomedical engineering next year, although she has not decided which university she will attend. Lisa plans to continue playing her trumpet in a marching or concert band as well as to continue acting!

The Thurston Players thank Espresso Royale for their donation of yummy treats for our dress rehearsal!

I PUT THE BITE ON YOU

I'll put the bite on you
Because you're mean
If you don't stop the things you do
I'm gonna make you scream!
You know I can't stand it
your putting me down
You know I can't stand how
you push me around
So I'll put the bite on you
Because you're mean

Hello, Camp Kerpowpow!
Wanna see something really cool?
I'll put the bite on you
Revenge is mine

Mine, mine, mine... all mine!

And when my little pets are through
You'll need Calamine!

Calamine, calamine, calamine!

None of you cared about
how I felt
So now you can care for
your itchy welts
I'll put the bite on you
Revenge is mine

Watch out, watch out, watch out,
watch out—she ain't lying!

'Cuz you all behave
so aloof, mean and smarmy
My mosquitos
are gettin' swarmy

Ooh! Ah!
I'll put the bite on you
A pointy bite
I put the bite on you...

Ah, say, make 'em cry!
Hop up, babies, up and fly!

Ah, say, make 'em cry!
Hop up, babies, up and fly!

Here, buggy, buggy, buggy!

Here, buggy, buggy, buggy!

Hey!
Hey
Cry!
Cry!
Say...
Bye by-y-ye! Fly, Fly!

Congratulations to Beck and Karma Nordstrom on your third Thurston Play!

ROW TO THE PARK

Looky there's a bullfrog
Leaping here and there
Floatin on a log over there I see
A slimey green thing with no hair
A slimey green thing with no hair

Singin' Row to the park
With the frogs and flies now
Row thru the fishes in the deep blue
sea
Row for you and me

If I were a turle
Tell you what we'd do

We'd sit on the log in the sun and the
wind
Float up next to you

Singin' Row to the park
With the frogs and flies now
Row thru the fishes in the deep blue
sea
Row for you and me

Row to the park
With the frogs and flies now
Row thru the fishes in the deep blue

Row for you and me

Heave Ho

We dig dig dig dig, dig dig dig in the
mine the whole day thru,

To dig dig dig dig, dig dig dig is what we
have to do.

And while we dig we always sing,

For when you dig there's not a better
thing than a tune,

Than a tune, You can whistle or can
croon.

Heave-Ho, Heave-Ho, To make your
troubles go,

Just keep on singing all day long

Heave-Ho, Heave-Ho, Heave-Ho,
Heave-Ho, Heave-Ho.

For if you're feeling low,

You positively can't go wrong with a
Heave, Heave-Ho, Heave-Ho.

Heave-Ho, Heave-Ho, To make your
troubles go,

Just keep on singing all day long

Heave-Ho, Heave-Ho, Heave-Ho,
Heave-Ho, Heave-Ho.

For if you're feeling low,

You positively can't go wrong with a
Heave, Heave-Ho!

CAVERNOUS CATASTROPHE

Is this the real life? Is this a
fan - ta - sy?

Caught in a cave - in, no escape from
re - a - li - ty.

Open your eyes, look up at the shaft
and see.

I'm just a poor boy, stuck in a
passageway, because I

Can't get out, of the cave, cannot have,
what I crave.

However her plan works doesn't really
matter to us, not now.

Too late...my time has come, my book
is overdue, and there's nothing I can
do,

Goodbye, everybody, I've got to go,
gotta leave you all
Behind and pay the fine...

Mama, ooh I wish I could fly,
I sometimes wish I'd never come here
at all

I see a lit - tle rock of thur-ston-i-um.
Glow-ing blue, glow-ing blue, will you
do the Fan - dan - go?
Caving in and smoth-ring, very, very
both-ring us.

Call my mommy, Call my mommy, Call
my mommy, Call my mommy - Yoko
Ono Falsetto
Oh-oh-oh-oh-oh...

I'm just a slimy boy and no - bod - y
loves me.

He's just a slimy boy from a slimy fam
- i - ly.

Spare him his life from this mon - stros
- i - ty.

Easy come, easy go, will you let me go?
Ne-Far-ious!

No, she will not let you go.

- Let her go!

Ne-Far-ious! She will not let you go.

- Let them go!

Ne-Far-ious! She will not let you go.

- Let us go.

Will not let you go.

- Let us go.

Will not let you go.

- Let us go.

Oh-oh-oh-oh...

No, no, no, no, no, no, no. Oh mama
mia, mama mia,
Mama mi - a, let me go. Ne - far - i -
ous has a devil put aside for me,
for me, for me...

So you think you can bury us and spit
in our eye.

So you think you can bury us and leave
us to cry.

Oh, baby, can't do this to us, baby.

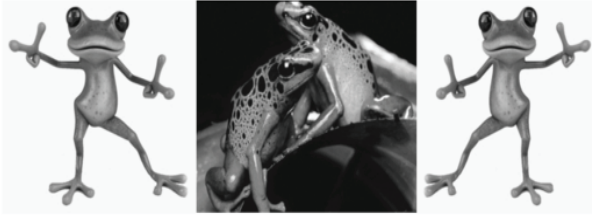

Just gotta get out, just gotta get right
outta here.

Ooh _____ Ooh yeah, ooh
yeah

Nothing really saves us, nobody can
hear.

Nothing really saves us, nothing really
gets us out of here.

Great Job, Olivia!

We are proud of our froggie!

Congratulations Nora on your
6th Thurston play!
Keep reaching for the stars.

(WHY DON'T WE) SHARE NECESSITIES?

Why don't we Share Necessities, the
oh so rare necessities,

The rocks that cause such worry and
such strife?

Why don't we Share Necessities,
Mother Nature's recipes,
The rocks that are the very staff of
life?

How bare is our table, we haven't a
crumb,

But if we are able, we should give
some.

The strangers here can't feed
themselves,
They'll surely starve without our help.

Pity their ineptitude,
And not be rude, and share our food.

Then surely we can say,
We'll Share Necessities with everyone
today,
Everyone today!

BATTY BAT

This mine of Thurstonium
It made us so glad.
The cavern was cold,
Yet we never were sad.

These rocks made us happy!
We found quite a haul.
But one small misstep—
Now we're losing it all!

Nefarious will win
And we'll all meet our ends
In this dark, scary cave,
With our new furry friends...

I, 2, 3, spread out the wings
I, 2, 3, swoop round the floor
I, 2, 3, land with a thud
I, 2, 3, then suck your blood

I, 2, 3, land in your hair
I, 2, 3, oh such a scare
I, 2, 3, doing the Batty Bat!

Batty batty bat, batty batty batty batty
batty bat!

I, 2, 3, eek!

Batty batty bat, batty batty batty batty
batty bat!

I, 2, 3, eek!

Batty batty bat, batty batty batty batty
batty bat!

Won't you dance with me, doing the
Batty-Bat!

Congratulations Hailey Garvey

THIS IS MY BITE SONG

Like a small boat – on the ocean,
Sending big waves – into motion,
Like how a single bug – when windows
are open,
It might only have one bite– but it can
cause a commotion.

And all those things I didn't say
Were wrecking balls inside my brain,
And I will scream 'em aloud tonight,
Can you hear my voice this time?

This is my Bite Song,
Cause a big fright song,
Prove that I'm right song.

My power's turned on.
Starting right now, I'll be strong.
I'll sing my Bite Song.

And I don't really care if nobody else
believes,
'Cause I've still got a lot of fight left in
me.

From now on mosquitoes swarm,
Raise the flags, sound alarms,
Here Comes great harm.
Yes, here comes great harm

I'll close the camp, I'll shut it down.
Mosquitoes flying all around
I'll shut it down, yeah, I'll shut it down!

And all those things I didn't say
Were wrecking balls inside my brain,
And I will scream 'em loud tonight,
Can you hear my voice this time?

This is my Bite Song,
Cause a big fright song,
Prove that I'm right song.

My power's turned on.
Starting right now, I'll be strong.
I'll sing my Bite Song.

And I don't really care if nobody else
believes,
'Cause I've still got a lot of fight left in
me.

WE'LL BE THERE FOR YOU

So no one told you camp was gonna
be this way
Your powers work, that jerk
You'd thought you'd get to play

It's like you're always stuck in second
place
though it hasn't been your time, your
fine, and now
they'll kn-ow your face, cause

We'll be there for you
(When the rain starts to pour)
We'll be there for you
(Like we've been there before)
We'll be there for you
('Cause you're here for us too)

You've got to save the world
It's a-ll up to you
You've got the rocks now, go on
You know what to do

You've got to believe in yourself that's
clear
You've gotta use the strengths you've
got, it's time to end
all of this fear, and

We'll be there for you
(When the rain starts to pour)
We'll be there for you
(Like we've been there before)
We'll be there for you
('Cause you're here for us too)

So proud of our Sloth and MinerElf
(Meera) (Leela)

Love Mom & Dad

Ooga-chaka! Ooga! Ooga!
Ooga-chaka! Ooga! Ooga!
Ooga-chaka! Ooga! Ooga!
Ooga-chaka! Ooga! Ooga!

I can't stop this feeling
Deep inside of me...
I can be a hero
If I wanna be.

All the good guys
Leaping buildings tall,
But now I know,
They can't do it all.

I...
I got superpowers!
They might not look like yours,
But they're just right for me!

Maybe you have thick skin
Made of orange stones.
You might have an alloy
In your bo-o-ones.

Maybe in your clear jet
You fly by unseen.
With your golden lasso
You're a killer queen.

You're the vengeance,
And you are the night,
But now I know
While you bring the fight

I...
I got superpowers!
They might not look like yours,
But they're just right for me!

THAT'S WHY WE DID IT

That's all
That's our show for this year
and we're glad
that you all could be here
And we hope
that we brought you some cheer
That's why we did it.

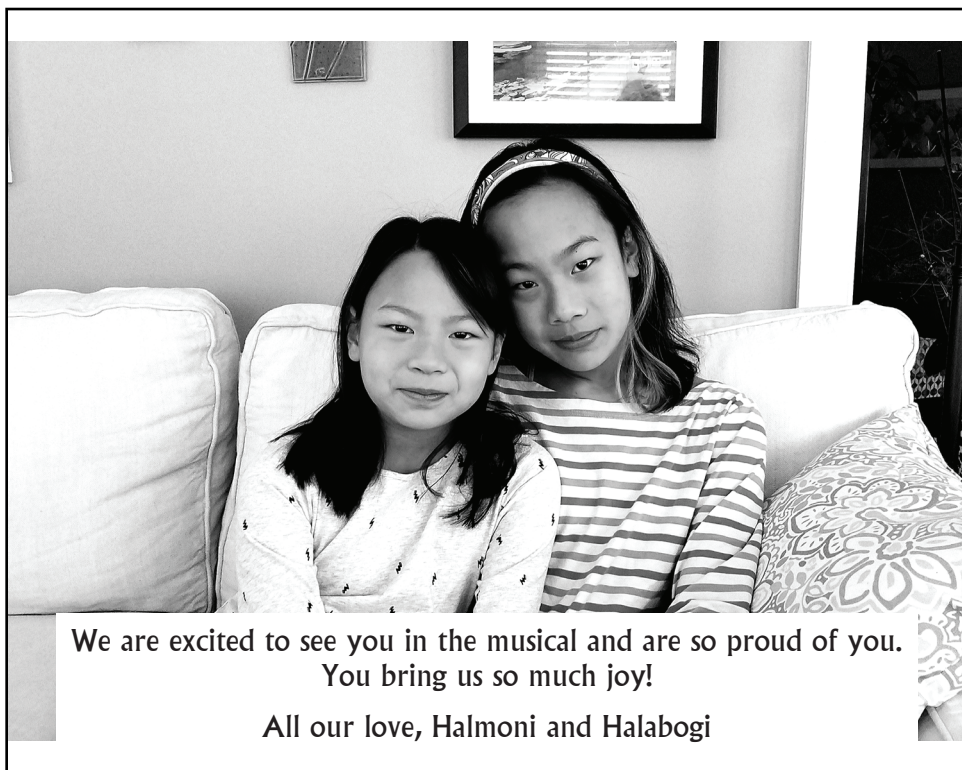

The set, the director, the script
and the score with a musical hit,
and the guys who worked
backstage or pit.
They also did it.

You sing and dance
and you practice your lines,

Rehearse and rehearse them
a few thousand times.
Never quite sure that it's right
And then curtain up,
'cause it's opening night.

So you smile,
sing and dance like a pro,
Make 'em laugh,
make 'em yell, steal the show
Then applause, curtain down,
time to go

We'll do it again, next year once again
We'll entertain you.

We are excited to see you in the musical and are so proud of you.
You bring us so much joy!

All our love, Halmoni and Halabogi
