About The Thurston Players

In the Beginning

In the spring of 1974, John and Nancy Keller suggested to the Thurston Elementary School Parent Teacher Organization (PTO) that it sponsor a musical comedy featuring Thurston parents and teachers. The Kellers agreed to produce and direct the production, and in March 1975, "The Great Cat-B" played to capacity crowds at Clague Middle School Auditorium.

Elated by this first success, the PTO agreed to continue sponsorship of this project in 1976 and 1977. As this annual production became a tradition, those involved decided to organize and become the Thurston Community Players.

Current Times

The Thurston Play became an annual fundraiser, and over time, other adults, including Thurston neighbors who did not have children at the school, joined the fun. Beginning in 1997, Thurston students joined in the cast. As those children grew up, middle school, high school, and even college students began participating in the plays, making this a truly multi-generational group. A typical cast for a show runs to well over 100 actors ranging in age from 5 to past 75; many more people work backstage and in other production areas.

Each year a group of volunteers first develops the plot for a play and then writes an original script. The Lyrics Committee selects songs and writes lyrics, and the choreographers create dance numbers. Auditions are low stress; everyone who auditions gets a part as long as they are willing to work hard and have fun.

Why We Do It

What started as an opportunity for Thurston parents and teachers to get to know each other has grown to provide financial support for the PTO as well as many more intangible benefits. These plays have brought the community together and has formed bonds of friendship and cooperation with those in our community. It is an annual tradition that cannot be missed.

Directors' Note

Wow, what a difference a year makes! Last year we had to pull in friends and family to fill the roles written, and this year we had to add roles to accommodate the number of actors that showed up at auditions.

With all this new talent, we can't wait to see what each new year will look like as the young cast members from sheep to puppies to mystical creatures evolve into bigger and brighter roles.

As we continue to grow, we encourage you to get involved next year; if it takes a village to raise our children, we need the whole community to put these shows together. We are eager to create new habits while keeping the same great traditions that have made this community what it is.

Kevin and I are excited to be returning this year. Kevin's family has been involved for seven years, and for my family, this is our third year.

Now, join us as we tell you the tale of how the littlest of creatures can make the biggest impact on this world.

Synopsis

Our story takes place in the enchanting kingdoms of Angerwat and Thorstone. When a peagle named Wagsmatail is stolen, a queen declares war, setting off a series of comic missteps, heartfelt moments, and a battle for succession among three very different princesses. As alliances shift and unexpected bonds form, this tale of rivalry and redemption will leave audiences laughing and inspired by the enduring power of love, loyalty, and leadership.

Song A: “We’re So Excited” (Act I, Scene 2)

In the style of the Pointer Sisters, “I’m So Excited”

Today, today, he’s gonna make it happen,
Today we’ll put our differences aside.
Gather round and listen to the message,
We’ll find out if retirement’s on his mind.

Will Matilda, be the Queen, and her groom beside her,
Or too busy, with wedding plans, will she even want the crown?
Or is King Eric excited for his hound?!

We’re so excited, and we just can’t hide it,
Rumors ‘bout to lose control and we think we like it!
We’re so excited, and we just can’t hide it,
We know, we want to hear the news, yes we want to, want to!

We are all thinking about the future,
Except Charlotte who only wants more views.
And then there is young Freya, the youngest daughter,
If she’s the one in charge we can’t refuse.

Let’s get excited, we just can’t hide it,
Rumors ‘bout to lose control and we think we like it!
We’re so excited, and we just can’t hide it,
We know, we want to hear the news, yes we want to, want to!

Song B: “The Peagle Sleeps Tonight”

(Act I, Scene 3)

In the style of the Tokens, “The Lion Sleeps Tonight”

Sleep away, Sleep away, Sleep away, Sleep away,
Sleep away, Sleep away, Sleep away, Sleep away,
Sleep away, Sleep away, Sleep away, Sleep away,
Sleep away, Sleep away, Sleep away, Sleep away.

In the kingdom, the mighty kingdom, the peagle sleeps tonight.
In the kingdom, the quiet kingdom, the peagle sleeps tonight.
Sleep away, Sleep away, Sleep away, Sleep away,
Sleep away, Sleep away, Sleep away, Sleep away.

Will the peagle be counting sheep, or counting chewy toys?
Will the princesses sleep tonight, or is there too much noise?
Sleep away, Sleep away, Sleep away, Sleep away,
Sleep away, Sleep away, Sleep away, Sleep away,

Who will comfort the barking peagle,
And soothe him back to sleep?
Who will love and adore the peagle?
Now let’s hear from the sheep.

Sleep away, Sleep away, Sleep away, Sleep away,
Sleep away, Sleep away, Sleep away, Sleep away,
Sleep away, Sleep away, Sleep away, Sleep away,
Sleep away, Sleep away, Sleep away, Sleep away.

Song C: “Under the Trees” (Act I, Scene 5)

In the style of “Under the Sea” from *The Little Mermaid*

The moon light is always brighter,
With a coin dropped in the pond.
You dream about coming out here,
Into the world beyond.

Just look at our world around you,
Right here on the forest floor.
Wonderful traditions ‘round you,
What more are you lookin' for?

Under the trees,
Under the trees,
Nothing is better,
Than being together,
Happy and free.

Those silly humans work all day,
While we get to frolic, leap, & play,
While we are dancing,
And we are prancing,
Under the trees.

Our forest is always greener,
Unlike their castle stone.
They may have lots of riches,
But we always have our home.

Tradition is all around you,
So much wonder to explore.
Mystical creatures 'round you,
Come in through the fairy door.

Under the trees,
Under the trees,
Nothing is better,
Than when we're together,
Happy and free!

Song D: “Today’s the Day” (Act I, Scene 7)

In the style of the Black Eyed Peas, “I Gotta Feeling”

I gotta feeling, that Freya’s gonna be a great queen,
That Freya’s gonna be a great queen,
That Freya’s gonna be a great, great queen! [repeat with a-woo]

Today’s the day, the queen is picked,
The dog has barked, let’s go with it!
Go out and yell it, that she’s the one,
Let’s party right now, and have some... FUN!

I know that we'll have it all,
If we go with the king we might have a ball,
I feel stressed out, I wanna let it go,
Without our Matilda, we’re losing all control.

So here we are, hey what’s up?
It’s time to dance (move it move it), we’re taking... off!
We love our town, she’s got the crown,
So here’s the proof, and then we'll do it again.

Let's do it, let's do it, let's do it, let's do it,
And do it, and do it, (let's live it up),
And do it, and do it, and do it, do it, do it,
Let's do it, let's do it, let's do it, do it, do it, do it.

I got a feeling (a-woo!), that Freya’s gonna be a great queen,
That Freya’s gonna be a great queen,
That Freya’s gonna be a great, great queen! [repeat]

Song E: “Take This” (Act II, Scene 1)

In the style of Twisted Sister, “We’re Not Gonna Take It”

We're not gonna take it,
No, we ain't gonna take it,
We're not gonna take it anymore!

He's got no right to choose, and
There ain't no way we'll let him.
This is our life, and he is wrong.

We'll fight for the eldest princess,
Don't make us have to pick less.
An insurrection? It won't be long!

We're not gonna take it,
No, we ain't gonna take it,
We're not gonna take it anymore!

The king is condescending,
This drama is never ending,
We want tradition to be the rule.

Von Killjoy is so jaded,
The crown's been abdicated,
Don't make us all lose our cool.

Woah-oh-oh,
Woah-oh-oh,
We're right,
We're free,
We'll fight,
You'll see.

Whoa, we're not gonna take it,
No, we ain't gonna take it,
We're not gonna take it anymore!

We're not gonna take it,
No, we ain't gonna take it,
We're not gonna take it anymore!

Paolina!

Song F: “We’re Gonna Get Ya” (Act II, Scene 3)

In the style of Blondie, “One Way Or Another”

[Verse]

One way or another, we’re gonna find ya,
We’re gonna find ya, find ya, find ya, find ya.
One way or another, we’re gonna get ya,
We’re gonna get ya, get ya, get ya, get ya.
One way or another, we’re gonna beat ya,
We’re gonna beat ya, beat ya, beat ya, beat ya.
Come out, come out right now,

[Queen Eleanor]

You have run out of time.
You must now pay for your crime,
Give me what’s mine.

[All - Repeat Verse]

It will be mine today,
Today you must pay.

Song G: “Thorstone Rocks” (Act II, Scene 5)

In the style of Taylor Swift, “Shake It Off”

[Verse 1]

Our queen is so great, she'll help in every way,
I heard the peagle say, mm, I heard the peagle say, mm.
The old king was okay, but now he's gone away,
At least that's what people say, mm, that's what people say, mm.

[Pre-chorus + Chorus]

So now we're movin', Thorstone is improvin',
The queen's counsel's approvin' all the laws,
So we're gonna be alright.

'Cause our kingdom is the best best best best best,
Yeah it's better than the rest rest rest rest rest,
You can put us to the test test test test test,
Thorstone Rocks, Thorstone Rocks!

Von Killjoy was a pest pest pest pest pest,
And our jester's gonna jest jest jest jest jest,
You never would have guessed guessed guessed guessed guessed,
Thorstone Rocks, Thorstone Rocks!

[Verse 2]

Princesses on their feet, no longer countin' sheep,
And they want everyone to see, mm, want everyone to see, mm.
Angerwat's down the road, old king and queen will share the load,
It's happy ever after, mm, yeah happy ever after, mm.
